## Description

EUR-Lex is a portal that offers free access to European Union legislation and other documents, considered to be of a public nature. The documentation can be consulted in any of the 24 official languages of the EU

On EUR-Lex we can consult: daily editions of the Official Journal of the European Union, EU legislation (treaties, directives, regulations, decisions, consolidated legislation, etc.), preparatory documents (legislative proposals, reports, green and white papers, etc.), EU case law (judgments, acts, etc.), international agreements, EFTA (European Free Trade Association) documents, summaries of EU legislation (including legal acts in their context and explain them in plain language) and other public documents.

## Objectives and learning results

- Learn about the main features of EUR-Lex.

- Identify its main elements and structure.

- Acquire information search and retrieval skills.

- Manage results.

At the end of the session, the student will be able to locate, consult and manage the information offered by the EUR-Lex portal.

## Content

- Access to the EUR-Lex website.

- My EUR-Lex.

- Types of information: EU law, EU case law, national law and jurisprudence and Information.

- Information Search: Quick Search and Advanced Search.

- Results management.

## Methodology

Overview and online access to resources. Presentation in PDF format in Spanish, Catalan and English. Examples and practical exercises. EUR-Lex guide available in Catalan, Spanish and English. Guide to the URV European Documentation Centre available in Catalan, Spanish and English

## Assessment and certification

To obtain the certificate of attendance it is necessary to attend 80% of the session. The certificate will be received by email.
